About the Orientation Programme

This workshop is intended for Vocation Directors who have had no professional training and feel the need of support for their ministry.

Formators and members of Leadership teams are also very welcome on the course.

This is a good opportunity for everyone to be clear on the role each one plays in vocation ministry in order to avoid crossover and develop a sound ethical approach to vocation ministry.

Its goal is to provide participants with the skills, context, theory, challenges and practicalities of contemporary vocation ministry.

TOPICS WILL INCLUDE:

Theology of call

Candidate issues

Discernment

Assessment and the application process

The role of membership and religious leadership

Advertising and education

Ethics and boundaries

Self-care of the vocation director

SCHEDULE

The workshop starts at 9 a.m. each morning and ends at 4.30 p.m. with the exception of Friday which finishes with lunch.
